2012 is a significant year for the Canadian International Tattoo Association! We have been producing outstanding family entertainment within our mandate of "Connecting Canadians to their Military" for 21 years!

I am writing to ask for your assistance in promoting the Canadian International Military Tattoo with a **special 15% discount on Adult and Senior tickets to all members of Admiral Desmond Piers Naval Assoc. and their families.**

With its magnificent castle backdrop, superb lighting and acoustics, the Tattoo is first-rate and fun family entertainment. A cast of 450 presents a 2-1/2 hour performance with all the

pageantry of massed military bands, pipes and drums, dancers, and historical vignettes. Special invited guests include tenor John McDermott and the Pioneers of Canterbury Marching Group from Christchurch, New Zealand. This stirring and thrilling spectacle that displays the rich traditions of the Canadian Armed Forces, is commemorating the beginning of the War of 1812 and celebrating the 150th Anniversary of the Royal Hamilton Light Infantry (WR).

Here is an opportunity for Canadians to show their gratitude to our veterans; not only those who served Canada in its 20th century wars and peacekeeping missions, but also the dedicated generation of young people in uniform today who, like their forebears, risk their lives in that most noble cause – duty and service in the name of Canada.
